

# Muralist Wanted

---

A Design Review Committee has been formed to review designs for a mural for the South Portal of the tunnel.

The committee is looking for a muralist to design and paint a mural on the portal of the tunnel leading from Miller Knox Park. The design should be consistent with the North Portal. A local artist would be preferred. When creating your design please consider the following:

The wall is very porous so appropriate materials are required

The design should allow for repairs if graffiti appears

Total Budget is + - \$10,000.00.

Volunteers will be needed for prep work, equipment and oversight of the project.

To submit a design or to inquire about volunteering, contact Tom Brichta at Marvin Gardens Real Estate in Point Richmond, or e-mail it to;
