

## DO YOU BELIEVE ALL OUTDOOR CATS DESERVE A CHANCE TO LIVE HEALTHY LIVES?

Every day,  
compassionate people in  
West Contra Costa  
County are providing  
care to outdoor cats, by  
following the simple  
steps of  
Trap-Neuter-Return!  
TNR is the key to a  
healthy happy life for  
neighborhood cats.

### What is Trap-Neuter-Return (TNR)?

- ❑ **TRAP:** There are free and low-cost programs for outdoor cats. Make appointments, then humanely trap the cats.
- ❑ **NEUTER:** Transport the cats to be spayed or neutered, ear-tipped, and vaccinated.
- ❑ **RETURN:** The cats must be returned to their home territory. They depend on you for daily food and water. If you can, make a simple shelter, and keep an eye on their well being.

Maybe you see cats living outdoors, and maybe you're already feeding them. What's next? Join the West Contra Costa County Advocacy Team!
