Are you prepared for the next major disaster? Learn techniques to become Red Cross ready and to improve personal preparedness. By attending this one hour course you will learn how to set up a communication plan after a disaster, important items for a disaster kit and what to do during an earthquake or fire. This course will leave you with emergency contact cards for each member of your family, a Be Red Cross Ready booklet and earthquake preparedness information. There will also be a raffle for a chance to win a disaster kit and other supplies.
