## *The Hot Mikado*

ADAPTED BY **DAVID H BELL**

FROM **THE MIKADO**

BY **GILBERT AND SULLIVAN**

DIRECTED BY **ELLEN BROOKS**

MUSIC DIRECTION BY **DAVID HOWITT**

East meets West in this hilarious 1940's update of a Gilbert & Sullivan musical classic. In the mythical village of Titi-Pu, where flirting is illegal, a young man on the run is searching for the woman who stole his heart.

Unfortunately, she has already been promised to her much older guardian. A series of seemingly

fool-proof plans are hatched, only to be foiled by the merciless Mikado. Come see foxy ladies and slick gents in zoot suits as they perform with the excitement and abandon of American swing, jazz, gospel and blues. See Gill Stanfield as Pooh-Bah!

50 Washington Avenue, Point Richmond
