Let's do the "Time
Warp" with the
Masquers after dinner
at the Hotel Mac!

A dark and stormy
night. A flat tire. A
spooky old castle. Then
things go in a totally
unexpected direction!
This long-running British
musical is a parody of
old-fashioned science
fiction and horror films.

Come join us for an

evening of PG-13 fun, 70's style, in this fabulous, campy romp,
bursting at the seams with offbeat humor!

directed by G.A. Klein
