

Point Richmond Business Association Membership Application

The Point Richmond Business Association (PRBA) invites you to join us in promoting and improving our community. Through learning more about our community, by meeting other business and community people in our area and by working hard to “polish” the “jewel” that Point Richmond is, we are making Point Richmond a better place to live and work.

We meet the Second Wednesday of every month at 12 noon for lunch in the banquet room of the Hotel Mac Restaurant, 50 Washington. (Except for December... we schedule a special evening Holiday Party.)

Our meetings include a member spotlight, when an association member gives us additional details about their business or organization. We also have a police report which is usually followed by a speaker. Past speakers have included Investment Bankers, local politicians, the Superintendent of Schools, authors of books on how to make small business grow, the City Manager and City Economic Development Director as well as community leaders.

During the year the Association organizes the Annual Point Richmond Stroll, Picnic in the Point, the Christmas Tree Lighting Ceremony, the Kids Valentine Making and Easter Egg Coloring Events and the Annual Holiday PRBA fund raiser silent auction party.

We also sponsor or contribute to the Many Hands Project for Washington School, the Point Richmond Historical District signage project, PRAM, Farmers Market, Bob Peckham Fun Run, the Richmond Chamber of Commerce events and the Point Richmond Music concert series.

**The initial Membership Dues are \$75.00 at time of application.
Annual dues are \$75.00 and are payable each January.**
