

August/September 2016

The WWIC invites you to the most important meeting of the year—the *first one*.<sup>\*</sup> At this meeting we set the tone, make plans, select the speakers, reconnect with old friends and meet new ones. This is the meeting that lays that groundwork.

If you are a member, an officer will phone you with a reminder call. Be sure to tell her that you're coming and perhaps bringing a guest so the first hostesses, the officers, can know how many to plan for.

If you are not yet a member, please phone President Linda Newton at (510) 235-0081, to let her know you're planning to come. We'll keep an eye out for you to welcome you.

Your suggestions for speakers will be voted on at this meeting. So that we can contact them, please be ready to provide their names, phone number if possible, organization/business they represent, and what you would have them speak about. General themes we've had over the years are: women business owners in the Point, history of the area, health and well being, and various issues as we age.

Also, think about special projects you would like WWIC to get involved with over the course of the next year or so that would improve the Point, create good will, perhaps spill over into the rest of Richmond, and build our personal relationships. It's your ideas that direct the Club. See you in September!

<sup>\*</sup> The WWIC calendar parallels the traditional school year.  
Thus, the schedule runs September 2016 – June 2017
